## Howdy, Welcome Home!

**WireStar Networks Internet** is provided by your HOA.

Included in your HOA are the following:

- Speeds of 100 Mbps Down and 100 Mbps Up
- Reliable Fiber Optic Network
- Free Activation and Installation
- 24/7 WireStar Customer Support

Your HOA does NOT cover:

- A WireStar Fiber Modem
- Broken Equipment Service Calls
- Any Home Modifications (Ex. Moving Internet Jacks)

A WireStar Fiber Modem is **REQUIRED** to work properly with WireStar's Fiber Optic Network.

Any other modem will **NOT** be able to connect to WireStar's Network.

(NOT responsible for your personal modem connecting to the network).

WireStar *leases* our WireStar Fiber Modems for **\$10 per month**

Or Modems can be *purchased* outright at **\$200**.

Call in today to have a WireStar member setup and activate your services!

If the speeds covered in your HOA are not fast enough for you home – Internet Upgrades are available!

WireStar will gladly upgrade your internet speeds from:

**100 Mbps** down to **1 Gbps** down for only **+\$20 per month**

**(10x the Normal Speed!)**

# DIRECTV

Television services are not included with you HOA dues.

WireStar is the **ONLY** authorized DirecTV retailer and the **ONLY** satellite installer with authorized roof access.

You must contact WireStar directly, and not DirecTV.

With the different packages we offer, we have hundreds of channels to choose from, such as KBTX - TV to the SEC Network.

If interested, call in today and let WireStar find the perfect package for you.

WireStar also provides Home Security.

Watch Live-Feed video of your property straight to your Smart Phone.

Feel secure with WireStar's Security taking care of your home.
